FACIL. RUB OUT REACH TO COMM (INTEREST IN W&S)
Help!! backup from Kingsterrington at Hardin Pk going East to Mill Rd. Mill the section that has alligator cracks. Warning lane too narrow!
The 2 left turn lanes at the intersection is good! (Martin Dunn)
But I am concerned that the traffic will not keep the traffic at high volume times.
2 sign additions Unable after approval by Rory Cole Eng
Have side shelter on street lights
Club will comply on the Murphy Rd approach
