VARIANCE REQUIREMENTS

City of Knoxville Zoning Ordinance Article 7, Section 2

The City of Knoxville Board of Zoning Appeals shall have the power and authority to grant variances from terms of this ordinance according to the procedure and under the restrictions set out in this section.

The purpose of the variance is to modify the strict application of the specific requirements of this ordinance in the case of exceptionally irregular, narrow, shallow or steep lots, or other exceptional physical conditions, whereby such strict application would result in practical difficulty or unnecessary hardship which would deprive an owner of the reasonable use of his land. The variance shall be used only where necessary to overcome some obstacle which is preventing an owner from using his property as the zoning ordinance intended.

DESCRIPTION OF APPEAL

Describe your project and why you need variances.

I hired Champion fence co. to put a 6ft. privacy-wood fence on my unrestricted corner lot property and paid over \$8,000.00 for it so it would look nice in the neighborhood and keep neighbors safe / keep the neighborhood quiet as I have 2 large, young, very energetic dogs which was my primary reason for a privacy fence-6ft so they can not see the neighbors to bark at them, nor can they jump the fence as it is 6ft. The closest point of my fence is set back 15ft. from the road, so the road is visible all the way around.

Describe hardship conditions that apply to this variance.

I am unable to lower my fence as my dogs would jump it and cause potential harm I do not want to risk. It also needs to stay a privacy fence to keep the neighborhood quiet. In no way is my fence a hinderance to anyone, but not having it would be

Dear Mr. Elder:

**Re: Variance Requests 9-B-21-VA, 9-E-21-VA, 10-A-21-VA, 10-B-21-VA, and
10-D-21-VA**

We have reviewed our records and, as far as we have been able to determine, KUB has no existing utility facilities located within the variance areas and we have no objection to the requested variances. However, KUB does not release and hereby retains all easements and rights for existing facilities, whether or not identified in our research.

If you have any questions regarding this matter, please call me at (865) 558-2483.

Sincerely,

Christian Wiberley, P.E.
