PROPERTY INFORMATION

Street Address 700 Eleanor Street

City, State, Zip Knoxville, TN 37917

Parcel # (see KGIS.org) 081MM017

Zoning District (see KGIS.org) RN-2 -- this parcel is not included in the historic 4th and Gill overlay

VARIANCE REQUIREMENTS

City of Knoxville Zoning Ordinance Article 7, Section 2
 The City of Knoxville Board of Zoning Appeals shall have the power and authority to grant variances from terms of this ordinance according to the procedure and under the restrictions set out in this section.
 The purpose of the variance is to modify the strict application of the specific requirements of this ordinance in the case of exceptionally irregular, narrow, shallow or steep lots, or other exceptional physical conditions, whereby such strict application would result in practical difficulty or unnecessary hardship which would deprive an owner of the reasonable use of his land. The variance shall be used only where necessary to overcome some obstacle which is preventing an owner from using his property as the zoning ordinance intended.

DESCRIPTION OF APPEAL

Describe your project and why you need variances.

RN-2 has an allowable 30% building coverage. The existing home and carriage house account for 36% coverage. The homeowners desire an addition to accommodate an accessible bathroom (currently one bathroom and there is not adequate space to renovate to make accessible) and non-attic storage. The addition also includes stairs to create a new bedroom and bathroom in the existing attic area.

Many homes in the neighborhood exceed the 30% building coverage and many are in range of what is being requested.

Impact to neighbors is limited -- corner lot, adjacent to open space at rear property, additional 15' grassy city right of way on side yard.

Increase allowable building coverage to 55%.
 Increase allowable impervious coverage to 66%

Describe hardship conditions that apply to this variance.

The addition accommodates accessibility improvements for the resident in addition to general value and livability improvements.

APPLICANT AUTHORIZATION

I hereby certify that I am the authorized applicant, representing ALL property owners involved in this request and that all owners have been notified of this request in writing.

Dear Mr. Elder:

Re: Variance Requests 8-A-21-VA, 8-C-21-VA, 8-F-21-VA, 8-G-21-VA, 8-I-21-VA, and 8-J-21-VA

We have reviewed our records and, as far as we have been able to determine, KUB has no existing utility facilities located within the variance areas and we have no objection to the requested variances. However, KUB does not release and hereby retains all easements and rights for existing facilities, whether or not identified in our research.

If you have any questions regarding this matter, please call me at (865) 558-2483.

Sincerely,

Christian Wiberley, P.E.
