

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

## **Recipient Performance**

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? **Yes**  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

2. Is this an individual project application or a fully consolidated project application? **Individual**

Click on "Save & Next" to continue completing the remainder of this project application as if the consolidation will be denied by HUD and this individual project application will be assessed for FY 2018 funding.

### 1. Provide a description that addresses the entire scope of the proposed project.

According to our 2016 Knoxville Knox Co Biennial Homeless Study, 28% of the homeless population were families, 8% being children consisting of 816 families (2826 adults & children). Knoxville has a severe shortage of affordable housing. Many subsidized units are being renovated and other units no longer take vouchers. It is critical for homeless families to have the advocacy of case managers who know the housing market and are able to foster landlord relationships. Old rental/utility bills, bad credit, criminal history, drug/alcohol and mental health issues are other addressed barriers. Community/Faith Based partnerships are imperative in our ability to coordinate services. Project SUCCEED is integral to our Continuum's plan to end family homelessness. HMIS & Knoxville Knox County's Biennial Homeless study shows that Rapid ReHousing programs, such as Project SUCCEED, reduces wait time for families obtaining housing by 53%.

Utilizing the "Housing First" model, Project SUCCEED RRH will assist shelter and street homeless families to move quickly into housing. Project SUCCEED outreaches to 200 homeless families each year. Referrals will come from street outreach, homeless/domestic violence shelters, office walk-ins, churches. Over the program year 100 households (106 adults/200 children) are served with 50 families served at any point in time. Supportive services will be provided up to 6 months after housing retention and include accessing mainstream resources, educational upgrades, employment assistance. Funds from Emergency Solutions Grant, General Assistance, churches will be used in addition to this grant's funds for deposits & rental assistance.

Project SUCCEED's assistance will be time limited and individualized and adheres to 3 performance measures. 1st performance measure is 87% of homeless families enrolled will obtain and maintain housing for a minimum of 6 months post housing. Case managers' relationship with landlords/Housing Authority provides seamless transition into permanent affordable housing. Project SUCCEED will utilize scattered site apartments/houses and will evaluate the housing's rent reasonableness, habitability, environmental standards, lead assessment and accessibility to transportation/main stream resources.

The 2nd measure is 60% of adults in homeless families will maintain or increase their income through employment/mainstream resources. Case managers' advocacy and collaboration with other agencies provides increased access to mainstream benefits. Case managers are trained in SOAR to provide expedited SSI benefits. Agencies are often far too complex for our families to navigate, so advocacy increases the chance that clients' needs are met.

The 3rd measure is 87% of all adults will engage in some type of educational endeavor such as life skills, budgeting, parenting, GED, college, professional licensing, technical training, etc. Education increases self sufficiency thus maximizing families' ability to maintain housing.
