

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? **No**  
If “No” click on “Next” or “Save & Next” below to move to the next screen.

## 2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

### 1. Provide a description that addresses the entire scope of the proposed project.

Flenniken Housing provides permanent supportive housing for individuals who are chronically homeless. It serves unaccompanied disabled homeless individuals who have been homeless for at least a year, or who have had at least four periods of homelessness in the past three years. Residents might be impaired by mental illness and/or substance addiction and will require case management of varying degrees of intensity. Case management support is available 24/7 and is offered to all Flenniken residents by Knoxville Leadership Foundation, Inc. and any of the following agencies, all of which are participants in Knoxville's CoC: VMC, Helen Ross McNabb Center, Knoxville/Knox County Community Action Committee, or Knox Area Rescue Ministries. The primary provider of onsite case management service coordination is Southeastern Housing Foundation. The primary goal of case management at Flenniken Landing is to help residents maintain permanent/stable housing while moving toward maximum self-sufficiency. Case management is made available to Flenniken residents throughout their stay, and case managers, who are trained to assess needs informally through regular client contact, are available on a daily basis to residents. Case managers meet with willing residents early during their residency to identify needs and set case management goals. As those goals are completed, new ones may arise and are identified by both informal conversations and scheduled meetings with their case manager. Case management tasks often include helping residents access medical or dental care, addressing clothing and food needs, ensuring adequate mental health care and substance abuse services are available as needed, assisting residents with various educational and employment goals, and in accessing available community resources.

Flenniken residents sign a lease and pay rent. Case managers work with residents to ensure that each resident has income in order to help them achieve self-sufficiency. Some Flenniken residents may seek and use disability benefits as their primary source of income, while some gain and retain employment and thereby exercise a degree of independence. Knoxville's Community Development Corporation (KCDC), Knoxville's public housing authority, actively supports Flenniken Housing. Flenniken Housing currently has a Project-Based Voucher HAP contract with KCDC. The SHP grant for Flenniken Housing will be used for property staff salaries.

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
SOUTHEASTERN HOUSING FOUNDATION II, INC. AND FLENNIKEN HOUSING, L.P.

SUBJECT: HUD Match Requirement for the Southeastern Housing Foundation II, Inc. Supportive Housing Grant.

1. Purpose. The purpose of this Memorandum of Understanding between Southeastern Housing Foundation II, Inc. (SHF) and Flenniken Housing, L.P. is to establish a financial commitment for the purpose of the HUD Match Requirement for the Supportive Housing Program (SHP) grant for the Flenniken Housing Project.
2. Problem. As a recipient of the HUD SHP grant, SHF must match the total SHP grant, \$69,951, with no less than 25 percent cash and/or in-kind contributions from other sources.
3. Scope. Flenniken Housing, L.P. is the owner of the Flenniken Housing Project and will contribute the difference between the total FY2017 Operating Expenses and the HUD SHP grant to establish a match under HUD's requirement. SHF is the sole member of Flenniken GP, LLC, the General Partner of Flenniken Housing, L.P.
4. Understanding. On behalf of Flenniken Housing and as the sole member of the general partner of Flenniken Housing, L.P., SHF commits a cash match for the FY2018 HUD SHP grant in an amount expected to be \$320,012. This amount is calculated by estimating Flenniken Landing's estimated FY2017 Operating Expenses of \$389,963 less the HUD SHP grant request of \$69,951.

IN WITNESS WHEREOF, this MOU has been duly executed by the parties hereto as of July 16, 2018.
