

Knoxville's Urban Wilderness

The Legacy Parks Foundation has helped the City of Knoxville to secure the 1,000-acre Urban Wilderness. When completed, it will connect Ijams Nature Center, 10 parks, over 40 miles of trails, four Civil War sites, and diverse ecological features and recreation amenities. Many of the 30+ miles of trails already constructed were built through volunteer efforts of the Appalachian Mountain Bike Club. Go to www.OutdoorKnoxville.com
