

City of Knoxville Parks and Recreation Department

2024 Challenge Grant

Each year the City of Knoxville's Parks and Recreation Department partners with local groups and organizations to make improvements and additions to public parks and public recreation facilities in our city by awarding a number of matching "Challenge Grants". Below are the guidelines, instructions, and important dates related to applying for a Challenge Grant.

What types of projects are eligible?

Our intent is to enhance public parks and recreational facilities, so any project that would make a place look nicer, be safer, or add a new component to an already existing place would be eligible for a Challenge Grant. The project submitted must be located in an existing city park, greenway, or other public recreational area and be a place that is generally open to the public and used for recreation.

Challenge Grants may also be used to promote activities in City Parks and on Greenways. Grants can provide match funds for various fitness classes such as Yoga, Tai Chi, or other activities. Passive programming for activities such as painting and birdwatching will also be considered. Approved activities must be on City Park properties, and all other rules associated with the Challenge Grant Program will apply.

Types of projects that are NOT eligible for a Challenge Grant include those involved with any on-going maintenance, such as irrigation systems, mowing, cleaning, or the purchase of team athletic equipment.

NOTE some proposals may require additional approvals from the City such as a building permit, Special Events Permit, or Public Art Committee review.

Who is eligible to apply?

While we encourage any local groups interested in improving a public park and/or other public recreational facility to apply, city finance regulations require that only groups that have an official non-profit designation such as a 501(c)3, 501(c)4 or 501(c)6 may be eligible to receive city funds. Examples of groups who could possibly apply include garden clubs, athletic commissions, scout troops, PTA's, home owner associations, community clubs, and designated non-profit groups.

How does the process work?

Groups complete the attached application and submit **no later than Friday, June 28, 2024 at 4:30 p.m.** Applications can be mailed to “Parks and Recreation Department, P.O. Box 1631, Knoxville, TN 37901”, or emailed to thester@knoxvilletn.gov

Only complete applications will be accepted. Each application must include a copy of their IRS Designation Letter, verifying your group’s official non-profit status, and a copy of the organizations most recent annual report/budget.

Applications will be reviewed and groups submitting will be notified in July 2024. Preferential consideration may be given to an application that

- Is on City property
- Is submitted by a group that has adopted a City park and/or greenway

If your organization is awarded a Challenge Grant, you will have until **Friday, January 31, 2025 to complete your project** and submit your final paperwork to the Parks and Recreation Department. Reimbursement checks will be mailed to recipients in early 2025 upon approval by City Council.

The Challenge Grants are “Reimbursement” matching grants, which means groups will be reimbursed up to one half (50%) of the eligible costs for their approved projects. Parks and Recreation will not reimburse more than 50% of the eligible cost of the project. If your project is approved you will be awarded a specific grant amount that will not exceed \$3,000.

Any project that includes tree plantings on City property (including site selection and schedule for planting) must be approved the City’s Urban Forester. Applicants are encouraged to contact the Urban Forester prior to submitting their application if it includes proposed tree plantings.

All costs incurred by the grantee on this project that are submitted for reimbursement from this Challenge Grant must be documented with copies of invoices and cancelled checks, showing the invoices have been paid. **NO** funds will be eligible for reimbursement if the cost was incurred prior to the date the Challenge Grant was awarded. Volunteer hours on the grant project may be counted as an “in-kind” match at a rate of \$15.00 per hour.

There will be a mandatory inspection of the completed project by Parks and Recreation Department employees before grant awards are processed by the City for reimbursement.

The City of Knoxville’s Parks and Recreation Department has been awarding ‘Challenge Grants’ for over 25 years, and in that time hundreds of projects have been completed in our city. We look forward to partnering on more new projects this year. If there are questions about the process please call (865) 215-1712.

2024 CHALLENGE GRANT APPLICATION

(Due June 28, 2024)

Date: _____

Name of Organization Submitting Application:

Name, Title and Contact Information of Person Submitting Application:

Description of the Project: (attach photos or other documents if needed. Use additional sheets if necessary, and must include the amount being requested and budget detail for the project.)

Who will be responsible for submitting final paperwork to close out any approved project? Provide necessary contact information.

NON-PROFIT APPLICATION

Parks and Recreation

Organization/Applicant: _____

EIN (Federal Tax ID) Number: _____

Contact Person/Title/Phone#:

Required documents:

1. **Copy of IRS Designation Letter:** Tenn. Code Ann. § 6-54-111 requires organizations to be either non-profit charitable 501(c)3 and provide year-round services benefitting the general welfare of the residents of the municipalities, or 501(c)(4) or (c)(6) that “operates primarily for the purpose of bringing about civic betterments and social improvements through efforts to maintain and increase employment opportunities in the municipality by promoting industry, trade, commerce tourism and recreation by inducing manufacturing, industrial, governmental, educational, financial, service, commercial, recreational, and agricultural enterprises to locate in or remain in the municipality.”
 2. **Copy of most current Annual Report** of business affairs and transactions, which include an annual financial statement audit, annual Treasurer’s Report or current Form 990, filed with the IRS. If your organization has not been in existence long enough to have an annual audit performed, you will be ineligible, under the statute, to receive any financial aid from the municipality.
 3. **Written request on non-profit letterhead**, requesting specific amount of funding, including details and background of grant request. For entities identified as non-profit charitable 501(c)3 status, include examples/type of year-round services provided, benefiting the general welfare of the residents of the municipality.
