Shooting Incidents Overview

The following applies to data shown in this presentation:

1. Dates for analysis include 2015—August 9, 2020 (indicated by date range as 2015-2020*)
2. Boundaries (North, South, East, West) reflect areas of interest for City Council members.
 - KPD typically breaks data down by beat and grid.
3. The TBI defines how crimes are classified. Shootings are not a specific offense that is captured. KPD Crime Analysis Unit adds specific codes to capture additional data or information of interest to the department. For the purpose of this analysis, the additional data or information is reflected in this study.
